

COURSEKEY

STUDENT SETUP

DOWNLOAD THE APP

Download CourseKey Student from the App Store or the Google Play Store.

STEP 01

STEP 02

CREATE YOUR ACCOUNT

Create your student login using your email address, school, student ID, and picking a password.

ADD YOUR CLASS

Click + to add a course, then use the join code in the syllabus to make sure you join the right CourseKey class.

STEP 03

STEP 04

HAVE A GREAT SEMESTER!

Your account is now set up for you to use in class. If you ever need help, Support is available directly in the app.

USE COURSEKEY FOR:

- Checking in for class
- Answering questions, quizzes and tests
- Asking your instructor questions (you can be anonymous!)
- Connecting with classmates in a full class chat
- Checking your own grades and attendance record
